Science, Technology, Engineering,  
Agriculture & Math Education

Supporting Students in Temporary  
Housing

## **K–12 YOUTH, ADULT, PARENT & FAMILY LITERACY ACTIVITIES**

In each real world content area, we engage participants in fun, meaningful learning experiences, rooted in their passions and strengths, towards empowering their community.

## **CUSTOMIZED PROFESSIONAL DEVELOPMENT AND CURRICULUM RESOURCES**

We offer tailored trainings and adaptable curriculum materials that equip educators to deliver engaging project-based lessons in each program area — designed to align with academic goals and students' unique passions and strengths.

## **TEACHER PAI**

This A.I.-powered curriculum generator empowers educators to design dynamic, project-based lessons in each program area that align with state standards — within minutes. Unlike generic AI tools, it uniquely integrates academic content with students' personal interests and real-world themes, making learning relevant, rigorous, and meaningful.

**Community Change, Inc. (aka CareerVisions, Ltd.)** provides a range of educational services that engage K–12 youth, parents and teachers/educators in learning about the real world. Our approach, known as the *Community Change Pedagogy*, promotes critical thinking, research, and executive functioning skills through the integration of real-world content, academics, and interest-based activities in classroom and community settings. Community Change, Inc. is certified as an MWBE, MTAC and CTLE provider in New York State.
