Family MATTERS

Parenting, Family Discovery & Engagement Program

1. SELF, INTERESTS & FAMILY IDENTITY

Family map interests identities and relationships.

Explore who we are, what matters to us, and how each person contributes to family life.

2. FAMILY STRUCTURE, ROLES, RESPONSIBILITIES & RESOURCES

Family discuss responsibilities and community resources.

Examine family relationships, shared responsibilities, and resources that support everyday life.

3. ROOTS: PAST, HISTORY & TRADITIONS

Family study pictures and interview an elder.

Investigate family history and traditions. Connect earlier experiences with present-day family life.

4. STRENGTHS, ASSETS & GOALS

Family create strengths and goals board.

Identify strengths, support networks, and shared goals. Build on what your family already has.

5. FAMILY CHALLENGES & SOLUTIONS

Respectful family conversation alongside parenting/ family literacy learning materials.

Explore family challenges through conversation and research. Compare practical solutions and available support.

6. FAMILY ACTION PROJECT

Family share researched family learning plan and storybook with community circle.

Create a family action project. Put learning into practice, review progress, and reflect together.
