MONEY MOVE$

Explore money. Make informed decisions. Put learning into action.

1 THE WHAT'S ABOUT MONEY

Explore what money is and how earning, spending, saving, borrowing, and investing work.

2 THE WHO'S ABOUT MONEY

Investigate people and institutions involved in money: workers, businesses, banks, and financial professionals.

3 THE WHEN'S ABOUT MONEY

Study financial timing, goals, and life changes. Examine how choices today affect options later.

4 THE WHERE'S ABOUT MONEY

Explore where money is earned, held, exchanged, and invested. Research available services.

5 THE WHY'S ABOUT MONEY

Examine why financial choices matter and how values, needs, and social conditions shape them.

6 THE HOW'S ABOUT MONEY

Apply your research in a financial action project. Explain decisions, evaluate results, and reflect.
